

## Instructions

### Juvenile Justice Grant Statistics

Please read before completing Statistics page!!

1. Please indicate the number of unpaid volunteers employed by your program this quarter, if any.
2. Please indicate the number of people receiving services from your program during this quarter. Services is defined as face to face contact ***for the purposes defined in your goals and objectives.*** (Do not include parades, appearing at fund raisers, or child safety fairs, etc.).
3. The totals of Sections I, II, III, and IV be equal to the total persons served.
4. Data on high risk youth are only required from high risk youth projects. Please note that a child may fit into more than one category in Section V.
